

Briarbend meeting  
Feb, 25, 2014

Present: Gordon Richardson, Kathy Johnson, Leigh Adkins, Bill Maddock, Ben Hunter, Chad Roberts, Jessica Strehlow

The meeting was called to order at 6:55 pm by President Gordon Richardson.

**Beautification:** Jessica-

Obtained 2 quotes to clean up the park. She will go with the less expensive company. Jessica will have the company come clean up the park before the spring fling in April. The cost is \$90 per quarter (annually).

Jessica talked to the new owners on Locke Lane by Valero and asked if they might be installing a new sprinkler system. They aren't at this time, but they may consider doing it at a later date. We won't plant anything right now in the flower beds by the brick column; if the homeowners install a sprinkler system then we will plant flowers.

The fountain at the park has been repaired.

**Super Neighborhood** Chad-

Was unable to attend the last meeting; no news to report.

**Social:** Amanda –

Looking into holding another social event in the neighborhood; perhaps a Mardi Gras event where we bring our own food and enjoy visiting with other neighbors.

**Architecture:** Ben-

Homeowner of the new construction on Stoney Brook is making progress.

**Treasurer:** Leigh-

16 unpaid dues for 2014.

**Security** Jerry-

Looking into having more security officers cruise through the neighborhood during the day. A home was burglarized at the north end of Stoney Brook on Feb. 24. The burglars entered through a window at the back of the house and took jewelry, laptops, and other items. Gordon will ask the security company to give us an analysis of when the break-ins are occurring.

**New business:**

Sewer connections- 9 left to do

Bill, Ben and Leigh to work on the proposed modifications to the Deed Restrictions. These need to be approved and ready for balloting before the semi-annual meeting in April.

Andrew Clark accepted the open position on the ACC.

Next meeting- March 26, 2014 at 6:30 at 7814 Chevy Chase.

Semi- annual meeting- Tuesday, April 22, 2014. Vice President, Bill Maddock, to confirm with Molina's.

Meeting adjourned at 7:34 pm.
